2020 WINTER

“Take me WHITE LAND”

Samansa said.

“I want to see the snow up north.”

Her home is in a little town near a
quiet forest of tall white birches and firs,
where blankets of snow cover the ground
and bunnies hop through the fields.
But this year, she might not have a way to get back.

“I really miss the snow.”

*

Could you put me in some snowy scenes?
If you see a full-page picture of me in this catalog,
[page 3,4,7,8,11,12,14,16,18,19,21]
just slide it under the picture of the forest
on the WHITE LAND folder.
That's sure to make me feel right at home.
